

A Fundraising Gala Event

Dedicated to supporting our Sanctuary Expansion Project.

UNLEASHED!

A Signature Luncheon Benefiting Max's Ark Rescue

On December 6th, Max's Ark Rescue proudly introduces our very first signature fundraising event—Unleashed!—an intimate and thoughtfully curated luncheon to be held at Cooper's Hawk Winery & Restaurant for an exclusive gathering of 50 guests.

This special event marks a meaningful milestone in our journey. Over the past eight years, Max's Ark Rescue has saved and transformed the lives of nearly 3,000 dogs, many of whom came from neglectful breeding situations and were given a second chance at life through compassionate rescue, medical care, and placement into loving homes.

As we celebrate this incredible impact, we are also looking ahead.

Max's Ark Rescue is entering its next phase of growth—expanding our sanctuary to better serve the increasing number of vulnerable dogs who depend on us. This expansion will allow us to provide enhanced medical care, safe haven, and the time these dogs need to heal before finding their forever homes.

Unleashed! is more than a luncheon—it is a gathering of passionate supporters, community leaders, and mission-aligned businesses who believe in creating a future where every dog is safe, valued, and cared for.

Proceeds from this event will directly support the operational costs of our expansion, helping us build a stronger foundation for the years ahead and enabling us to continue our life-saving work at an even greater scale.
